Bhima Jewellers. The last word in pure gold.

For the last 84 years, Bhima has brought the tradition of pure gold – to Malayalees all over the world. Beautiful jewellery in pure 916 hallmarked gold, and the promise of high resale value has made Bhima gold a valuable investment today especially in the scenario of rising gold prices. Gold, being an integral part of every special and auspicious occasion, is a key investment option in every household. Bhima now brings you a smart & wise way to save and buy gold and shield yourself from rising gold prices.

Rising gold prices need not hamper your purchase plans.

Gold prices are rising at a frenetic pace in the world market. In these circumstances it becomes relevant for you to invest wisely in gold and save money.

Bhima introduces a gold purchase plan called 'Abhiman' to insulate you from future price hikes.

Join this easy instalment scheme by paying a small amount every month. The gold price applicable on that day is fixed against the amount paid by you. As you continue in this purchase plan you will see how much money you will save at the end of the scheme. You virtually insulate yourself from the rising gold prices.

Abhiman Gold Purchase Plan – The advantage

- You can deposit multiples of Rs.500/- per week or per month. Bonus is calculated from the date on which you deposit money.
- The investor can decide the term and duration of the scheme.
- When you start planning for the future, for your young daughter's marriage, you will find that the increase in price of gold will not affect your purchase.
- Even after years of investing in this purchase plan,  you are able to buy gold at the rates applicable on the date of your deposit of the amount.
- With the Abhiman Gold Purchase Plan, you not only safeguard yourself from the rising gold prices but also make a neat saving on your investment.

Every which way, you only stand to gain with this innovative gold purchase plan from Bhima. And with Bhima you can trust that your investment is in safe hands.
